

Axis digital floor lamp

Enter the world of digital smart lighting with our dimmable LED Wi-Fi controlled devices that emit a full spectrum of vibrant colors or tunable pure whites ranging from 2700 to 6500 K. Enjoy tuning the light strip to your liking by controlling individual segments to create the exact lighting you want, or select from a list of smooth animations to set the mood. For tranquility and peace of mind, easily control and manage your lighting remotely with the DALI Connect™ app connected to your mobile device or through your preferred AI home assistant. Plus, with convenience in mind, an on-cord switch is included for added control.
